LinkedIn Profile

### About Me

I am a creative screenwriter seeking to use his passion and talent to contribute to unique and innovative film projects, television shows, online content, and video games. I am eager to collaborate with industry professionals to bring compelling and thought-provoking narratives to life.

### Education

Savannah College of Art and Design (SCAD), Savannah, Georgia  
Bachelor of Fine Arts (BFA) in Dramatic Writing, *Magna Cum Laude*  
Graduation Date: May 2025

### Course Work

- Television Pilot Scriptwriting
- TV Drama Spec Scriptwriting
- Feature Film Scriptwriting
- Stage Playwriting
- Short Film Scriptwriting
- Feature Film Adaptation
- Developing/Pitching Limited Series
- Interactive/Immersive Narratives

### Sample Projects

**Strays** - A two-hour sci-fi pilot following a team of young adults who use advanced technology to fight a terrorist faction with ambitions of revolution.

**Kolton Khan** - A one-hour superhero pilot following a man in an unfamiliar world trying to find his way home.

**Lightborn** - A one-hour pilot for a fantasy novel that follows an amnesiac trying to reconnect with his origins, but doing so might spell doom for the world.

**Firebranded** - A one-hour fantasy pilot following a prince cursed with undeath who pursues revenge as the world descends into war.

### Skills

**Teamwork** - I can work diligently as part of a team, and I have a track record of taking charge and being proactive in communicating with my superiors and colleagues. I take criticism and adapt to feedback quite well.

**Knowledge** - I am proficient in Final Draft software, and I have written several pilots of various genres. I pay great attention to detail, and I take pride in my work. If you want a clean, concise, and purposeful script, I am your man.

**Adept** - I am well versed in strong scene construction and dialogue, as well as formatting and structure. I am told by professionals that my scripts are easy to follow and that my characters feel real.

**Versatile** - I have experience with a wide variety of storytelling platforms, including but not limited to film and television, video games, and theme park attractions.
